Meg Crisp:

I have looked through our Brady file and it is quite large. Some of the research material was done by the late Mrs. Dorothy Clark, genealogist and DAR. After she died her son gave many of her files to us at the Vigo Co. Public Library (VCPL). It seems to be her correspondence with a Mrs. J.H. Derden of Parklane Drive, San Antonio, TX. It is dated 1960 for the most part. Mrs. D. was already a DAR but was seeking more info on her Joseph Brady line. I think I read she was originally from New Harmony, IN and descended from the Mrs. William (Benjamin?) Anderson who is your line also. I would imagine that Mrs. Derden died by 1990 if not before. I couldn't find any Derdens listed in the computerized San Antonio, TX telephone directory but, of course, it doesn't include unlisted numbers.

You can contact Shirley Colvin, a Joseph Brady descendant at 780 Highland Springs Drive, Mt. Washington, KY 40047 or at SColvin780@aol.com

For \$3 I can send you copies of a 2005 letter to Shirley Colvin from the VCPL that has information about Joseph Brady telling where he owned land - we think it was in the southeast part of Lost Creek Twp, but his sons John and James apparently owned land in adjoining Riley Twp. and we are much more certain of the location of John and James' tracts than we are for their father, Joseph's tract(s). Also I could send the portion of the Vigo Co. "Complete Order Book 2" that pertains to Mr. Brady.

The \$3 would also include payment for the Joseph Brady page from Dorothy Clark's booklet about the Revolutionary War Soldiers of Vigo Co., IN and probably one or two other "small" items. However, this would be less than half the Brady file which I estimate it would cost \$10-\$12 to duplicate and mail to you as postage adds up quickly. Included in the file is information about Joseph Brady's landholdings in GA along with a few general maps of the area. It's odd that we don't know what became of Mrs. Joseph (Susannah) Brady but she must have died some years before Joseph passed in 1838.

Also included is a copy of an old photo of Phila Brady Tobey (1846-1930) by her carriage and "Old Prince", the horse. According to what the late Miss Lois Baker (1915-2007) told me, P.B. Tobey - Lois' grandmother, Phila continued to hitch Old Prince up to the carriage and drive into Terre Haute to conduct business well into her 80s. Phila's father was John Brady, son of Joseph the Rev. War soldier.

Phila's mother was Deborah Mallory Brady and was buried at the Green Cemetery (very close to the Brady landholdings in Riley Twp) in April 1866. Unfortunately, the Green Cemetery in Sect. 15 of Riley Twp, has been "lost to Time" as it was primarily a small family cemetery that seems to have faded away sometime in the past 100 years. My maternal grandmother was Nellie Green Wilson and she was descended from these Greens. I have looked quite extensively for the Green Cemetery but have not found any traces of it.

I think you should contact Shirley Colvin as she may be able to help you considerably.

Joseph Brady is apparently in an unmarked grave - possibly 3 miles away from the Green Cemetery and in one of the obscure Lost Creek Twp cemeteries. Or, he might have been buried at the Green Cemetery as he may have died at the home of one of his sons. Who knows for sure?

It's possible that if you contacted Shirley Colvin that she might send you the same information at little or no cost to you since you are both Joseph Brady descendants through Mrs. Anderson, who died in New Harmony c. 1849.

Let me know if you have questions.

David:

Have had a little more time to look at your e-mail more thoroughly. Yes I am interested in a photocopy of your "Brady" file. And no, I did not know that his wife was named Susannah. We had no information on his wife or Rhoda's mother. I'm interested in those dates in the land files as that might tell us if Susannah is Rhoda's mother. Excellent information!

Rhoda married a William Anderson per my information and they were married in Rutherford County, Tennessee (which is the immediate neighbor to the east of my county of Williamson). I have not been able to find the record though, although a fellow researcher has found Rhoda's sister's marriage in Rutherford County. I will probably search for information on him in your area as well....he died before Rhoda.

I would very much like a copy of the biographical sketch that you have on Joseph Brady. I would like the information contained in the probate order book and a copy if I can get it along with information on the book so that I can cite it as a source/reference.

Are there land records available in Vigo County? I'd be interested in his land ownership etc.

As to Ms. Colvin, do you have any contact information?

Thanks so much David....you are a wonderful source.

Hello,

About 2 months ago I sent you my response to Meg Crist. Sorry, I misunderstood your last name. I knew you were from TN. That's about all.

I wanted to get a reply to you today even though I've only had about 2 hours to work on your request of last week concerning documents pertaining to Joseph Brady, Revolutionary War patriot, and his immediate heirs. I have looked through our (the VCPL's) Brady file and think there is probably a large portion of it that you would like to have photocopies of as there is info about his Revolutionary War service and his earlier land purchases in Georgia. In one of the land records in GA it says his wife was Susannah. Did you know that? Was he married to anyone else that you know of? Also Joseph declared under oath that he did not know his birthday because the record (an old Family Bible) had become so dim (faded ink) that it couldn't be read. He thought he was born in 1760, and he knew thoroughly about his Revolutionary service but it was necessary for 2 of his longtime Vigo County neighbors to corroborate his account before he was granted a \$50 per annum pension from the US Govt.

I think you said you were connected to Joseph Brady through his daughter who married an Anderson and lived in Posey Co., IN. Have they figured out successfully whether Mr. Anderson was a William? a Benjamin? a William Benjamin Anderson? In other words, can you clarify that problem?

I recall you said you wanted a copy from the late Dorothy Clark's booklet of a brief Joseph Brady biographical sketch. I suppose you are still interested. Apparently Joseph didn't leave a will but his estate is in a Vigo Co. probate order book. Regrettably Joseph's grave has been unmarked for many decades and after today's perusal of the Brady file it seems he was probably not buried in the "lost to Time" Green cemetery since his (Joseph's) land was in southern Lost Creek Twp which happens to be adjacent to Riley Twp where his (Indiana) descendants seem to have located in c. 1840 if not before.

I am enclosing a few copies on the Brady family as well as a research report listing other sources I checked for your ancestors. It appears that Revolutionary War soldier Joseph Brady died in Vigo county at an early date after having lived in several other places. His son John administered his estate and remained here until his own death. The whereabouts of the son James was unknown when Joseph died.

If you would like copies of any items on the research report, our charge is 10¢ per page (15¢ for long microfilm prints), plus postage. Please send the library \$1.40 for the enclosed copies.

OF

R47
James Brady Co. B.
6th Reg't of Indiana Cavalry

VOLUNTEERS.

Disch April 24 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Dear Mrs. Clark:

Thank you for the loan of the enclosed document. I had a photocopy made and it came out nice and clear.

I have given some thought to the proposed search of country graveyards, and it seems, the facts at hand do not justify the cost at the present time. The discovery of Joseph Brady's burial place would not produce any new information, unless, his wife is buried in the same place and her grave is found marked with a stone bearing her name and dates.

We have found no proof, so far, that gr-gr-gr-grandmother Brady ever lived in Vigo County, and there is some reason to think she did not. The deed of land record might offer proof if she was a party to the deed, but before checking into this, I will read the 1830 census for evidence of her residency in the county.

Thank you for your cooperation.

Sincerely yours,

Sadie W. Derden

NOTE:

I have found nothing to verify Sept. 6, 1838(given above) as
date of death. On the back of the original pension document this
notation appears: Letter to S.B. Gookins, 22 Nov. 1843

Dead

Same person, 26 Dec. 1845

I interpret this to mean, Joseph Brady died just previous to 22 Nov. 1843
but no doubt the estate settlement papers will clear up this point.

NOTE:

Family notes written by Agnes Snelling Rankin, a descendant, reads:
BENJAMIN Anderson married Rhoda Brady, perhaps his name was William
Benjamin. This is a point that must be cleared up to prove my line of
descent. I have failed to find their marriage record in Tenn. and Ga.
~~though it seems~~ they must have married in one of these two states,
probably about 1810.

Dear Mrs. Derden:

The following is all that I have been able to do so far on your BRADY problem. Our DAR chapter is trying to locate all graves of Revolutionary soldiers in Vigo Co., so we are as interested in locating his grave as you are. Now that we have the land location I will have to scout the country cemeteries in that vicinity...a time consuming task, as you well know.

For some reason there was no will on file - just the estate settlement and probate file. I was able to secure one original document from our local historical society collection which I would recommend you have photostatted and send with your DAR application (please don't state your source of the original document!)

I read the entire estate settlement file box at the county courthouse and took notes on pertinent data - much of it was interesting local history, but not helpful in your genealogical problem.

The newspaper notice was noted in Order Book 3, p.113, Probate Court proceedings. In the May term, 1839, there was a summons issued "John Brady, Administrator of Joseph Brady, decd., vs Christopher Acred & Mary Acred, Harrison Co., Ind."

In the inventory of real estate of Joseph Brady, 1839, his land "SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Sec. 35, Twp. 12 R 8, Vigo Co. Ind." was appraised at \$3.75 per acre - \$150.00

To show location of heirs: John Brady, adm of Joseph Brady, decd, vs Isaac Brady, William Anderson, Rhoda Anderson Posey Co., Ind., Christopher Acred, Mary Acred Harrison Co., Ind. James Brady, no residence. John swore before a notary public 2/23/1839 "that James Brady, an heir, was last heard of about 15 yrs before as residing in state of Georgia and was not believed to be a resident of Indiana."

On 2/24/1842 John filed petition to settle estate as insolvent - a deficit of \$136.84 - after sale of real estate. Vigo Co. Will record No. 1, p. 344 dated Sept. 4, 1868 shows "last will and testament of John Brady, with proof" in which he bequeathed everything to his wife Johanna incl insurance policy for \$2000.00, real estate, etc.

The Vigo County Election Board will arrange so that no

Yours very truly,

Secretary Vigo County Election Board

Now, the estate settlement, etc. PROVES that Joseph Brady owned land in Vigo Co...according to the description it was in Lost Creek Township, about 40 acres in all. As his land was very close to Riley Township also, there is a possibility he was buried in 3 or 4 closeby graveyards.

According to my county cemetery map he could have been buried in the neighboring Section 36 - The Turner Graveyard; in the Mawhinney Cemetery in the northeast corner of Riley Twp; or in the Cooper Cemetery, 1½ mi west of the last named.

Cemetery searching out in the county constitutes a field trip and would cost approx. \$25.00, so I would warn you before going into that research. That would have to be done right away before grass, weeds, poison ivy, snakes, etc. became any more of a hazard. Early spring and late fall after frost are the best times.

Rhoda Brady Anderson and her husband William Anderson will have to searched for in Posey County.

With this land description I can go to the abstract office and trace the land ownership before Joseph Brady to give dates of his buying the land, etc., if you feel that would be helpful.

Since the estate settlement mentions no widow, we can assume that the wife of Joseph Brady died before 1839.

If I can be of further assistance, please let me know.

Sincerely yours,

Mrs. Robert I. Clark

IV. SCHOOLS ENTERED

1. Davis Park (April 6, 1960) The building was entered by breaking a lock on the boiler room door. This was the only apparent damage resulting from the entry.
2. Maple Avenue (April 12, 1960) Entrance was gained by pulling a screen from a window. A small amount of damage was done to the woodwork on a storage cabinet. Nothing of value was taken due to the alertness of the police force.

Rhoda Brady Anderson, their daughter and my gr-gr-grand-mother, may be buried in the same family plot. I need her birth date and date of death. It appears, she was living in 1834, when her father applied for pension but if, family tradition is correct, she died some few years later.

Joseph Brady left a will with son John administrator. I wish to obtain a copy of this will. It should be of some help in determining the approximate date of Rhoda Brady Anderson's death and, also, clear-up the question of William or Benjamin Anderson's correct name. Usually, a photostat copy of a will can be secured at the court house but, I am not certain, they will search for the desired record when requested by letter.

I shall appreciate your suggestions and help. If, you care to undertake the search, please advise me of your fee.

Sincerely yours,

Sadie W. Derden

Dear Mrs. Clark:

Thank you for your letter of February 10th. Several weeks absence from home has made me very late with my reply. I do hope you will forgive the delay.

I appreciate your interest and help in the search for data of my ancestor, and, I am delighted with the discovery of papers pertaining to the Joseph Brady estate. I suppose the original documents cannot be released but must remain in the attic store room of the Courthouse, and in this event, will you please send me certified copies of the papers found. Perhaps the contents will suggest new sources of information.

It seems logical, to assume, the Brady burial ground would be found in the vicinity of their land. However, their first home in Indiana was in Knox County, near Vincennes, and it is possible members of the family were buried in this locality. Though it is almost too much to expect, I am hoping, we can locate the grave of Joseph Brady and that of his wife, whose name and dates are unknown at the present time.

It has been established, Joseph Brady was a soldier of the Revolution. He served in the North Carolina Militia, in the company commanded by Capt. Bryant, and regiment commanded by Col. Smith, for fifteen months. Certificate of pension was issued on the 12th day of December 1836. I have a photostat copy of his application which gives a detailed account of his service.

The enclosed work sheet will show what is needed to prove my line of descent. I will welcome your suggestions as to the proper course to pursue. You did not send a statement of the time you have already given to research, so I am enclosing a check for \$15.00. Please advise me if this amount is sufficient for your time and to cover cost of copies of the Brady estate settlement. I shall look forward to hearing from you again.

Sincerely yours,

Dear Mrs. Clark:

Mrs. C.M. Amsler, Registrar of Francis Vigo Chapter, D.A.R., Vincennes, Ind. gave me your name and address. I am compiling family records and, Mrs. Amsler thought you might help me with certain information, which may be found in Vigo Co.

My maternal and paternal families were pioneer settlers in your state and, New Harmony, Posey Co. was my birth place. I am a member of the Indiana Historical Society, also a member of D.A.R.

I am seeking data of my gr-gr-gr-grandfather, Joseph Brady, Revolutionary soldier. He was born 1760, in N.C., served in the Revolution from N.C., then moved to Ga. and Tenn. He brought his family from Rutherford Co., Tenn. to Indiana around 1825. First lived in Knox Co., near Vincennes, then moved to Vigo Co. about 1827, where he died 9-6-1838. Known children were:

1. Joseph - died and left children: James, Emeline, William, John.
2. James. NA NA
3. Rhoda married Wm. or Benj. Anderson (probably Wm. Benjamin). They were my great-grandparents.
4. Mary married Christopher Acred.
5. Nancy married Mr. Blankenship - she died leaving Joseph and Louisa. NA
6. John.

I am trying to find the name and dates of Joseph Brady's wife. A copy of his pension papers, secured from General Services, names the above mentioned children but makes no mention of his wife. Evidently, she was not living when he applied for pension 8-11-1834. Her death might have occurred in Tenn., but there is the possibility, she died in Knox or Vigo Co., sometime between the approximate date 1825 and 8-11-1834. ~~Joseph Brady is buried somewhere in Vigo Co.,~~ and no doubt, his grave is marked, but I do not know the name of the cemetery. Possibly, his wife is buried in the same cemetery and if, her grave is marked, the inscription would give her name, perhaps date of birth and death.

October 5, 2005,

Hello! I am enclosing the copies from Complete Probate Order Book 2 and also from Will Book 1. Even though you said the John Brady who left the will was probably not your man, he is the only John Brady I found.

We have a Brady family file, and I am enclosing some copies from it. In 1960 Dorothy Clark, a local historian, did research on the Brady family for a Mrs. Derden of San Antonio TX. Dorothy apparently examined the probate box in the attic of the courthouse, rather than the probate order books. From records there she determined that William and Rhoda Anderson were in Posey County IN and that Christopher and Mary Acred were in Harrison County IN. Mrs. Derden was a great granddaughter of Rhoda Anderson and was also from Posey County IN. The probate order books give an abbreviated version of the business of the court. I believe the document I copied from the Brady file was originally in the probate box and should not have been removed. I noticed that Dorothy told Mrs. Derden not to state the source of the original document. Dorothy Clark held various offices in the local chapter of the DAR and was the author of the booklet on Revolutionary War soldiers of Vigo County.

The probate boxes have been preserved. However, the courthouse is undergoing a renovation at this time, and the records from the attic (including the probate boxes) are stored in another location.

I was interested in your comment on the Green Cemetery. Another library employee, David Lewis, is a Green descendant and is very interested in the Green Cemetery. In the spring of 2004 David, his sister, and his cousin tried to find the cemetery with the help of the land owner on whose property it is located. The land owner took them to a grassy area that had been mowed but was still fairly overgrown with weeds. They walked for some time through a wooded area and a ravine but didn't find the cemetery. They stopped when they encountered a thicket of thorn trees, but David believes they walked too far and that the cemetery must have been on the other side of the ravine. The cemetery is probably just northeast of the town of Riley near the center of Section 15, T 11N, R 8W. I am sending you a copy from an 1858 map of Vigo County. Note that the town of Riley was called Lockport then. You will also note that a J. Green owned land in the E $\frac{1}{2}$ of the SW $\frac{1}{4}$ of Sect. 15. David believes the Green Cemetery is on that land, just to the left of the 15. J. Brady owned land in the SE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Sect. 15 and the W $\frac{1}{2}$ of the NW $\frac{1}{4}$ of Sect. 14. That would have been John or James Brady as Joseph died earlier.

David is acquainted with a 91 year old Lois Baker who is descended from the Greens and the Bradys. She told David that Deborah (Mallory) Brady was her great grandmother and that Deborah was buried in Green Cemetery. I believe Miss Baker has been helping her niece research the family.

Thank you for the \$10.00. It was more than enough for the copies, so I put the extra in the gift fund.

Hello,

When I checked the index to settled estates, I found that the estate of a James Brady was settled Feb. 1866 and that of John Brady was settled April 1869. I checked Probate Order Book 2 (April 1862 through May 1864) through Book 6 (April 1869 through Sept. 1872) but did not find any references to James Brady. I did find that a Rose Brady was appointed guardian of a Mary Brady in Book 4, pages 73 and 207. I also found John Brady mentioned in Book 5, page 520, and Book 6, page 27. It appears that John Brady did leave a will. It was recorded in Will Book 1, March 1853--March 1874, page 344. The will was dated 4 Sept. 1868 and named the wife Johanna as the sole heir to the personal and real estate, plus a life insurance policy. The will was proved 16 Oct. 1868. Does that seem to be your John Brady?

I think that Isaac Brady must have moved away. He was still alive when John Brady petitioned to sell Joseph's real estate because he was one of the five heirs at law. James was the only one whose residence was specified, but John cited "the distance between the heirs" as the reason they couldn't jointly request the arrears of their father's pension. The 1840 Indiana census lists an Isaac Brady in Posey County, but that is a common name and might not be any connection to your Bradys.

Thank you again.

It appears that John Brady did leave a will. It was recorded in Will Book 1, March 1853--March 1874, page 344. The will was dated 4 Sept. 1868 and named the wife Johanna as the sole heir to the personal and real estate, plus a life insurance policy. The will was proved 16 Oct. 1868. Does that seem to be your John Brady?

I really doubt it. This John Brady was born 1805 in Georgia, came to Vigo County 1826-1828 with his father Joseph and brother Isaac. He died Mar 22 1872 and is supposed to be buried in Green Cemetery, Vigo County. So this will would have been too early. My John Brady's wife was Deborah Mallory and they were married in Knox County, Indiana July 27, 1828, unless that was a second marriage and Deborah Mallory did die in 1866.

I think that Isaac Brady must have moved away. He was still alive when John Brady petitioned to sell Joseph's real estate because he was one of the five heirs at law. James was the only one whose residence was specified, but John cited "the distance between the heirs" as the reason they couldn't jointly request the arrears of their father's pension. The 1840 Indiana census lists an Isaac Brady in Posey County, but that is a common name and might not be any connection to your Bradys.

There is also an Isaac Brady in Edgar County, Illinois; but neither seem to

really fit with the 1830 census of Vigo County. But it does show me that he was still alive out there somewhere.

Thanks again. You have been so helpful. I mail the check this morning for \$10. Use what you need and either keep the rest or donate it to the library. Thank you so very much.

Take care.

Ms. Sherrill,

Thank you so very much for looking for the will of Joseph Brady. I was wondering also if you could look for the wills of Isaac and John Brady, the sons of Joseph. I lose Isaac after the 1830 Vigo County census. I do not know if he moved or if he died. John Brady's death is listed as March 22, 1872 in Vigo County, Indiana.

I am enclosing a check for \$10 to cover the cost of the copying. If any is left over, please give it to the library as a small donation.

Thank you again,

Sincerely,
Shirley Colvin
